The Senior Class of La Poynor High School Presents THE 1987 FLYER

GOLDEN ANNIVERSARY EDITION

MR. DOUGLAS STEGER . . . SUPERINTENDENT
1984-1987

Dear Patrons and Students:

The 1987 graduating class of La Poynor School was the *Fiftieth Graduating Class.* As we look back on the years, there are many of those graduates of the past who have made contributions to our community and society. We have confidence that the 1987 class will meet the challenges that they will face in the future. We at La Poynor Schools will strive to prepare future graduates to face the challenges of our society and hopefully create a better world.

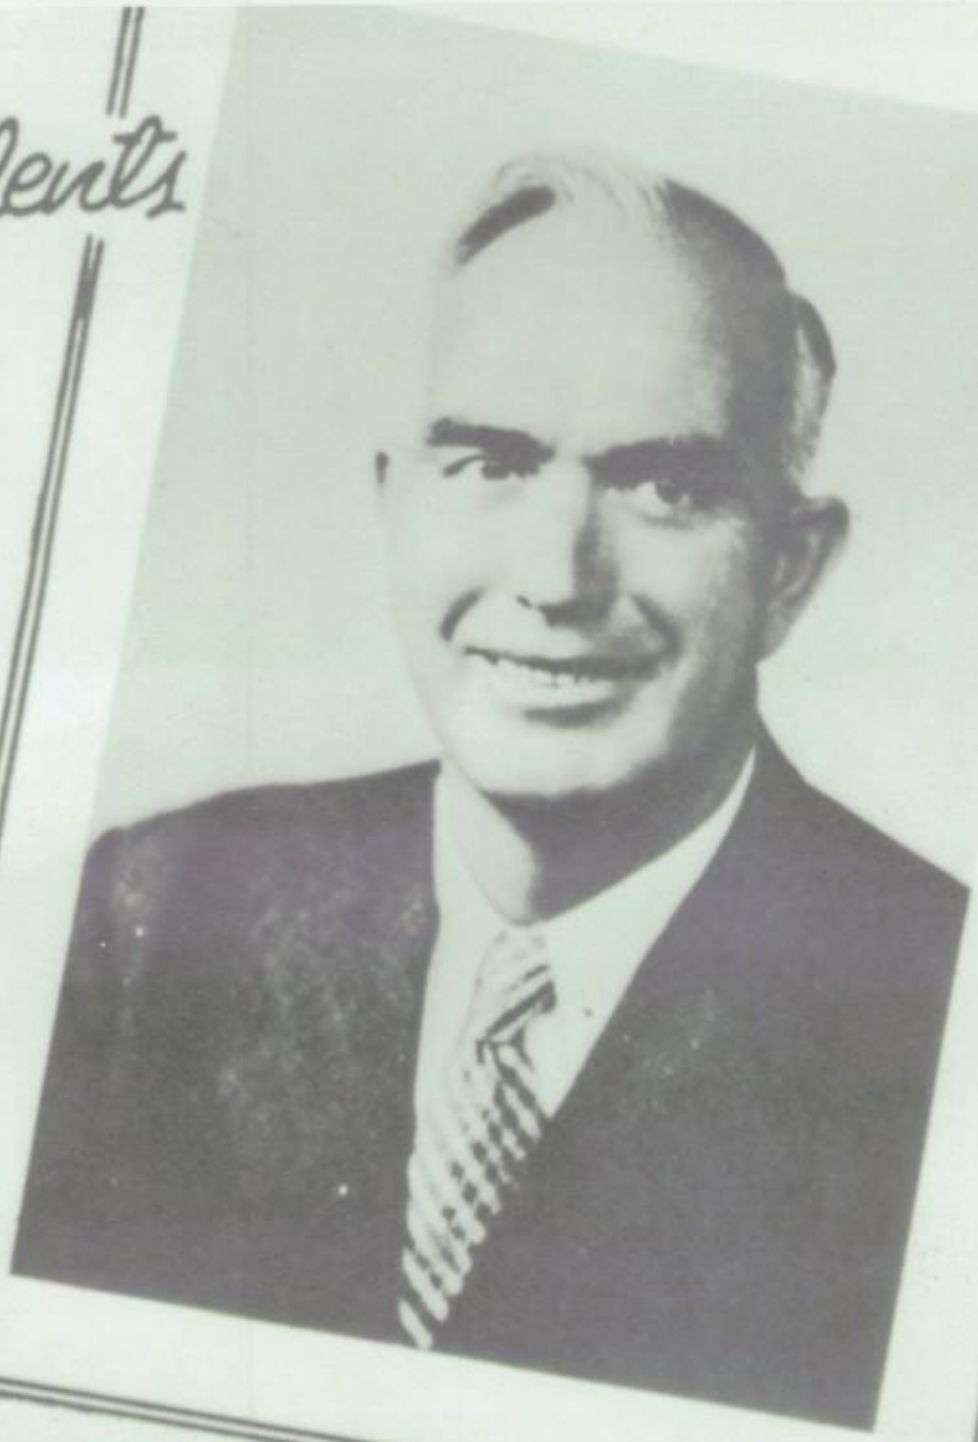
The faculty and I covet your support and prayers as we educate the young people of our community, the future citizens of our nation.

Sincerely

Douglas Steger
Superintendent of Schools

IN RETROSPECT WE REMEMBER OUR SUPERINTENDENTS FOR THE PAST FIFTY YEARS
1937-1987

Superintendent's Message



Dear Friends:

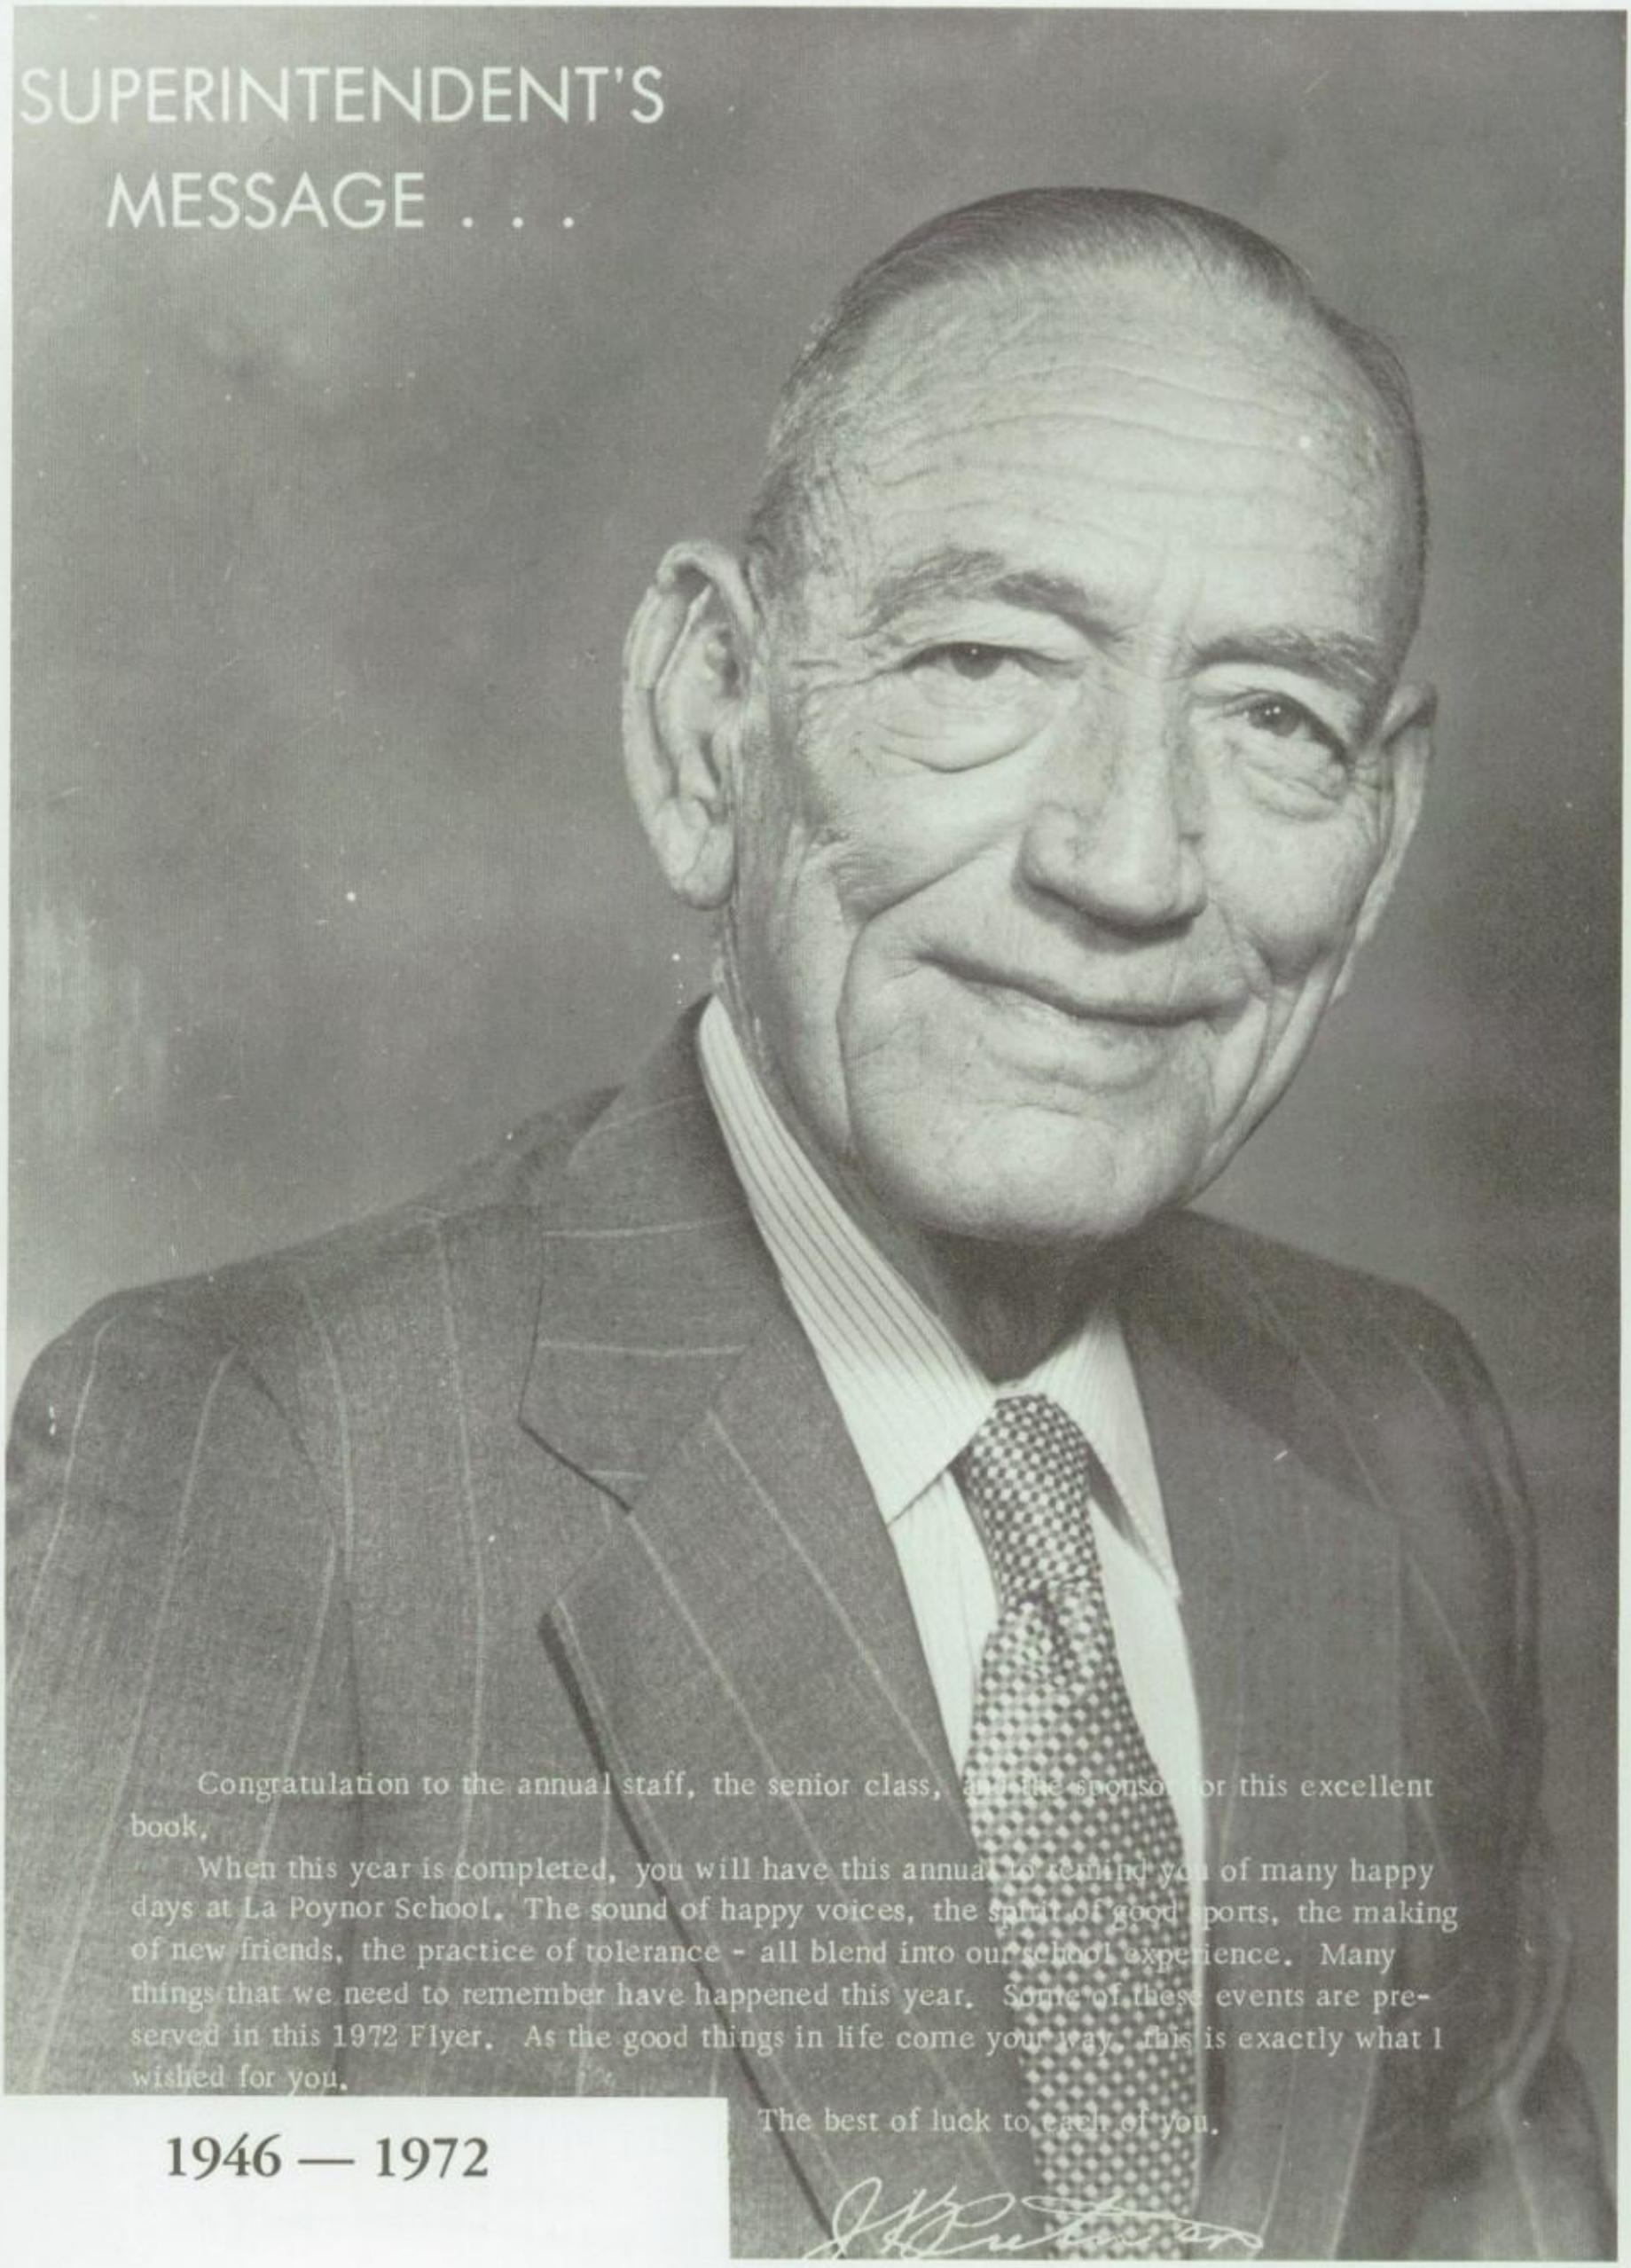
This Annual is a salute to the tenth year of school at La Poynor. I am proud of the Flyer Staff and its work with this splendid tribute. For ten years I have watched this school grow in appreciation, co-operation and accomplishment. Each teacher who has had a part in the training of this student body can feel proud, as it is one of the finest groups I have ever been associated with. So I join with the splendid student body and fine faculty in congratulating the Annual Staff for a grand and fitting tribute.

Sincerely,

George Lipton

1936 — 1946

SUPERINTENDENT'S MESSAGE . . .



Congratulation to the annual staff, the senior class, and the sponsor for this excellent book.

When this year is completed, you will have this annual to remind you of many happy days at La Poynor School. The sound of happy voices, the spirit of good sports, the making of new friends, the practice of tolerance - all blend into our school experience. Many things that we need to remember have happened this year. Some of these events are preserved in this 1972 Flyer. As the good things in life come your way, this is exactly what I wished for you.

The best of luck to each of you.

J. H. Patterson

1946 — 1972

Our Superintendent

The sound of cheerful voices, the spirit of good sports, the association of friends, the happy moments of school life, all blend in together to make our school experiences joyful memories. These memories will make this annual a treasure to you as the years go by. You have accepted many changes this year, such as new teachers, a new administration, building construction, and new policies. You are to be commended for your fine attitude and quick adjustment to these changes. It is hoped that all changes are for the betterment of education of La Poynor School Students.

I hope that each of you have much success and happiness in future years.

1972 — 1975

Sincerely,

J. M. Westbrook Jr.

J. M. Westbrook, Jr.

Mr. Gauntt is a well mannered, distinguished-looking man. But under that reserved nature, he is as much fun as anyone could be. His warm, easy smile makes him the kind of person any school would be proud to have as its superintendent.

He graduated from La Poynor in 1962 and came back to be principal, and this year, superintendent. He is a man who enjoys sports . . . who can be found at all basketball games supporting his school wholeheartedly.

This man knows every phase of running a school and can meet almost any crises with a calm and knowing manner. He has a special ability to counsel students of all ages and smooth out lots of gnarled problems, and is known to always be as fair as possible. As father, teacher, former principal, and superintendent, he knows the need for good schools and education. With Mr. Gauntt, I'm sure La Poynor will have the best of educational programs possible.

Kenneth Gaunt
1975 — 1979

SUPERINTENDENT'S MESSAGE

I congratulate the Class of 1980 on the successful completion of your high school careers. As your Superintendent for the past year, I have enjoyed working with you.

For some of you this will mark the end of formal education. For others it is merely another step. For none of you does it mark the end of learning.

In this age when education is becoming more important than ever, I trust that you will equip yourselves to cope with the many challenges that lie ahead.

Good luck to all of you, and may God bless you.

And Here We Are!

For a school is more than a building. It is learning. It is people, all kinds of people — laughing people, quiet people, teary-eyed people, talkative people — all different yet all the same, for all are proud and all are Flyers.

Crying out to be heard

Hey! Here I am! See how I dress.
Hear the way I talk.
That's all part of me.

Needing to belong to something!

Wanting to be a part of a whole. yet wanting to be needed in return. Searching for solid ground. longing to be on the inside no longer on the outside looking in.

EDITOR'S MESSAGE

One of the highlights of eachyear is the yearbook. The yearbook is there for you to remember all your accomplishments and the accomplishments of your fellow classmates. It has been a privilege to be able to plan the *1987 Flyer*. The staff would like to express our deepest gratitude to those who helped us make the 1987 Flyer possible. We would like to say a bit "thanks" to Ronnie Day who helped us in our cover design. Hopefully this yearbook will truly be your treasure of memories for 1987.
